III. The people below are all on holiday in the North of England and want to go for a walk in the countryside. Decide which walk would be the most suitable for the following people.

COUNTRY WALK

A. Lime House and Country Park

The house attracts thousands of visitors, but this is a pleasant walk (for the fit!) away from the crowds, through parkland, woods and up onto the hills. Popular with bird-watchers. Allow three hours. The house was built in 1570. Gardens closed to the public; information centre, café and souvenir shop open daily.

B. Howden Lake

This two-hour walk attracts thousands of visitors. When the water is low, you can see a village which was flooded 300 years ago. Quiet café with beautiful views. Children can go sailing and windsurfing on the lake with trained instructors.

C. Devonshire Park

Take a really enjoyable walk in the countryside surrounding the park. Allow at least half a day, or make it a full day by visiting the adventure playground and farmyard (both great for young children). Stop at the café (open all day) or enjoy the fantastic gardens, with beautiful fountains. Guided walks available for small groups.

D. Stanton

This walk is definitely for very fit walkers only – the tracks get very slippery after rain. Allow six hours and start early! You're unlikely to meet another person all day. Fantastic views of farmland in the valleys below. Be sure to pack sandwiches – you'll be up on the hilltops all day.

E. Hope Village

A leisurely way to spend an hour or two is by visiting the busy village of Hope with its lovely old cottages, traditional pubs and country gardens. A gentle walk towards the hills will soon bring you to superb views.

F. Strines

You need to be used to walking to successfully complete this seven-hour walk through the wildest scenery in the area. Follow a little-known footpath to the highest point for miles. The traditional pub down in the village serves hot food from 12.00 daily.

G. Cornford

This is an easy walk through a little-known valley beside clear streams with woodland flowers, birds and animals. See the 200-year-old buildings from the cloth-making industry which now stand empty. Private tours can be arranged. Allow half a day for the walk.

H. Langsett

After a steep climb, this is an exciting walk along easy paths, which are crowded at weekends (people come from all over Britain to climb Langsett). The views are dramatic, and it's a popular place for family picnics. Guided walks start from the nearby village (10 am Sundays) and visit 800-year-old woodland and ruins dating back two thousand years.

71. Mary and George, a retired couple, want to go on a short walk that lasts about an hour. They like old houses and pretty countryside, but can't climb steep hills.

72. The Thompson family want to spend a day out, including lunch. The parents like visiting gardens, but aren't interested in country houses. The two children are very active and like animals.

73. Carolina and Juan are experienced, independent walkers. They would like a long walk followed by a meal in a pub. Although they like attractive old villages, they don't enjoy crowded places.

74. Kenzo would like to join an organized walk to learn about the area. He is interested in history and wants to see one of the best-known places in this part of the country.

75. Belinda and her young teenage son Tom both enjoy being outdoors. Belinda wants to go walking and then find a nice café to relax in. Tom gets bored just walking and prefers other activities, especially sports.
