18. A. consume B. digest C. convert D. spoil
19. A. another B. each other C. other D. others

* Read the following passage and choose the best answer for each of the following questions (1,25 points)

Music plays a very important part in our lives. Music is for dancing, drinking, eating, loving and thinking. Some songs remind us of our childhood or youth. Others remind us of the people we love. Many important occasions like weddings and funerals have special music. Every nation has a national song like the American "The Star-Spangled Banner". In the U.S., high schools and colleges have school songs, too.

Music is a part of the history of America. It expresses the problems and feelings of its people. As the years pass, the music grows and changes.

Modern science has also changed music. Inventions like records, radio, movies, electric instruments, tape recorders and videos have changed the way we play and listen to music. They have

helped to make music an important form of international communication.

American music, from the earliest folk songs to modern "pop", is known around the world. Music is one of America's most important **exports**. It brings the people of the world together. Even when people can not understand the same language, they can share the same music. Understanding American music can help you understand American people, their history and culture.

20. What is true about "The Star-Spangled Banner"?

- A. It's played in weddings
B. It's the U.S. national song.
C. It's liked by every nation.
D. It's one of the American school songs.

21. According to the passage, music is changed thanks to the invention of the following EXCEPT

- A. International communication
B. Tape recorders
C. Electric instruments
D. Videos

22. The word "exports" in the last paragraph is nearest in meaning to ...

- A. things that can be sold
B. things that can be bought
C. things that can be enjoyed
D. things that can be changed

23. What is the earliest form of music in America?

- A. Folk music
B. National music
C. Pop music
D. School music

24. What can be the best title for this article?

- A. The development of American music
B. The future of American music
C. The history of American music
D. An introduction to American music

* Choose the underlined word or phrase (A, B, C or D) that needs correcting (1 point)

25. Beethoven began lose his hearing in 1798 and became completely deaf by 1824.

- A B C D

26. Foods are broken down and convert into energy in the digestive system.

- A B C D

27. As planned, we will drive from the city center in the early morning to the sea.

- A B C D

28. The doctors looked at the test result, but they decided to operate on the patient.

- A B C D

* Complete the second sentence so that it has the same meaning as the given one (1 point)

29. People keep the needles in acupoints for about twenty minutes.

The needles...are kept in acupoints for about twenty minutes.

30. Hoa missed the first part of the show because she got up late.

Hoa got ...up late, so she missed the first part of the show.
