22. A. scientific B. science C. scientist D. scientifically
 23. A. Reduce B. To reducing C. For reducing D. Reducing

* Read the following passage and choose the best answer for each of the following questions (1,25 points).

The skills needed to succeed in college are very different from those required in high school. In addition to study skills that may be new to students, there will also be everyday living skills that students may not have had to use before. Students should:

- know how to handle everyday living skills such as doing laundry, paying bills, balancing a checkbook, cooking, getting the oil changed in the motorbike, etc.
- be familiar and compliant with medical needs concerning medication and health problems. If **ongoing** medical and/or psychological treatment is needed, arrangements should be made in advance to continue that care while the student is away at college.
- understand that the environmental, academic, and social structure provided by parents and teachers will not be in place in college. With this lack of structure comes an increased need for responsibility in decision-making and goal-setting.
- know how to interact appropriately with instructors, college staff, roommates, and peers. Appropriate social interaction and communication are essential at the college level of education.
- be comfortable asking for help when needed. The transition from high school to college can be overwhelming socially and academically. Students should know when they need help and should be able to reach out and ask for that help.

24. According to the writer, if students want to have medical treatment, they should _____.
 A. be away B. be familiar with medical needs C. make arrangements D. meet their parents

25. The word "**ongoing**" is closest in meaning to _____.
 A. continuing B. short-term C. brief D. little

26. College students should be aware that _____.
 A. everything in college will be different B. parents and teachers are not in college
 C. structures must be provided by parents D. structures must be provided by teachers

27. Which of the following is NOT true about college life?
 A. It is essential to have good communication skills. B. Students should know some living skills.
 C. Students should not ask for help. D. Students must be responsible for their own decisions.

28. Which of the following is the best title of the passage?
 A. Life at College B. Essential Skills for College Life
 C. Differences between High School and College D. Success at College

* Choose the underlined word or phrase (A, B, C or D) that needs correcting (1 point)

29. My mother was very surprised hearing that I would take part in the storytelling contest.
 A B C D

30. Children become more independently as they get older.
 A B C D

31. It was learning grammar what she found the most difficult at school.
 A B C D

32. The last time I have gone to Hanoi was in May.
 A B C D

* Rewrite the following sentences so that it has the same meaning as the given one using the suggestion in brackets or beginning with the given words (2 points)

33. You are not allowed to use your mobile phone in the examination room. (must)
 You mustn't use your mobile phone in the examination room

34. They last wrote to each other five years ago.
 They haven't written to each other for five years

35. She found learning grammar the most difficult at school. (use a cleft sentence to emphasize the underlined part)

It was learning grammar that she found the most difficult at school

36. Don't expect that everybody will understand you. It's unreasonable. (Combine the two sentences using to + V)

It's unreasonable to expect that everybody will understand you
 (for you)
