I. Listen and decide whether the following statements are T (true) or F (false).

Write the letter T or F in the box. (1 point)

1. At this rate of destruction, the world's rainforest can completely disappear more than 100 years later.
2. When trees are cut, they release the carbon dioxide they are storing into the atmosphere.
3. Fewer forests mean larger amounts of greenhouse gases entering the atmosphere and increasing the speed of global warming.
4. Trees are cut down to plant crops, raise cattle, and provide wood and paper products.

II. Listen and fill each gap with ONE WORD taken from the listening passage about the benefits of online learning. (1 point)

1. ELearning courses have become very popular because it is more*convenient*..... than traditional face-to-face courses.
2. People sit in their own home or office comfortably and*log*.....*on* to the virtual campus.
3. Cost can often be a prohibitive factor in why individual students don't*enrol*..... in courses they're interested in.
4. Online courses are easily accessible on much*smaller*..... budgets.
